Address: Madina Nagar, Azad Nagar, Indore (M.P)

LinkedIn: www.linkedin.com/in/amin-sheikh-1a885a328

Objective

Frontend Developer position where I can utilize my skills in React.js and modern frontend technologies to build efficient and scalable web applications.

Education

Bachelor of Computer Applications (BCA), VIIT Barwani (2023 - 2026)

Currently pursuing 4th semester.

Skills

Technical Skills: HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, React.js, Redux

Soft Skills: Good communication and leadership

Experience

Intern - AimForTech Solution, Indore

Completed a 6-month internship with hands-on experience in frontend development.

Projects

- Car Rental App

- News App

- Crypto Coin Tracker

- Beauty Products Store

All projects were built using React.js, with Redux for state management, Tailwind CSS for styling, and Axios for API integrations.
