Amin Sheikh

Phone: 6263518573 | Email: aminsheikh9065@gmail.com

Address: Madina Nagar, Azad Nagar, Indore (M.P)

LinkedIn: www.linkedin.com/in/amin-sheikh-1a885a328

Objective

Seeking a Frontend Developer position where I can utilize my expertise in React.js, modern frontend libraries, and responsive design to create high-performance web applications.

Education

Bachelor of Computer Applications (BCA), VIIT Barwani (2023 - 2026)

Currently pursuing 4th semester.

Skills

Technical Skills: HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, React.js, Redux

Soft Skills: Good communication and leadership

Experience

Intern - AimForTech Solution, Indore

Completed a 6-month internship with hands-on experience in frontend development.

Projects

- Car Rental App: Users can browse and rent cars. Built with React.js, Redux for state management, Tailwind CSS for UI, and Axios for API integration. Includes user authentication.

- Crypto Coin Tracker: Displays coin details with functionality to add to cart. Built using React.js, Redux, Axios, and Tailwind CSS. Includes authentication.

- News App: Fetches and displays the latest news articles. Built with React.js and Axios. No authentication included.

- Beauty Products Store: Showcases beauty products with add-to-cart functionality and authentication. Built using React.js, Redux, Tailwind CSS, and Axios.
